as our logistics partner and exclusive on-site handling provider.

For the following services please contact
BISCHOFF Event Service & Transport directly:

- transport from your place to the ECC Berlin and vice versa
- delivery, also before official build up as well as collection after the show
- presentation of forklift incl. driver for unloading/loading, all technical lifting
- labour assistance for standfitting, unpacking and repacking
- storage of empties, storage of brochures, give aways etc.

Concrete unloading and loading / delivery times please adjust directly with
Mr. Bischoff ! On request he will send you also the Shipping Guidelines.
